Introduction

Steady Schoolwear is Yorkshire's leading specialist school uniform provider. We are based at 17 Savile Street, Hull, HU1 3EF and 29 Holderness Road, Hull, HU8 7NA.

We like to provide a high level of service to families and students and offer a number of ways to purchase school uniform. We recognise that buying school uniform can be a time-consuming experience and we have established a swift and efficient service to save time and stress. Our range of products have been specially designed to cater for all needs and budgets.

Families can come to our store in person, where they will receive help and advice from our friendly team. Our stores are open 6 days a week. We can also be contacted via phone or email.

We have an easy to use e-commerce platform where any order can easily be placed online. The customer accesses the web page and chooses their school. All items are clearly shown with size options and once they have checked out their order is then sent to their home address.

We offer free shipping for orders over £100. Our website can be found at www.steadyschoolwear.co.uk.

If the school would prefer we also offer a free ship to school service. This option can be selected at check out and once received we ship these orders collectively to the school, twice monthly. The order arrives carefully packaged with order details and the surname of the child. Our e-commerce platform automatically notifies the purchaser that the item has been shipped to the school, so they will know when to attend school and collection from Reception. All orders are tracked and the progress of an order can be checked by the customer using our unique log-in tracking system.

We also offer your school a pop-up shop service. These are popular during open evenings and events. We set up a pop-up shop where students can try on their uniform before they buy and we bring a selection of stock so they can take their purchase home that day. Card payments are enabled for these events.

If the school prefer, we can also provide stock quantities for the school to hold in their office for parents to purchase locally. Ordering is easy and items arrive quickly once embroidered.
