

## ST MARY'S COLLEGE

### Year 11 Revision – Spring Term

Dear Parent/Carer,

Following the success of our first ocused Revision Weeks, we are writing to inform you about Phase 2 of our **tracked revision programme**, which will run for five school weeks from week commencing **Monday 19th January** through to (and including) week commencing Monday 23rd February.

During this period, students are expected to continue attending revision sessions either at lunchtime or after school, following the published timetable. As in Phase 1, our expectation remains that every student attends a **minimum of three revision sessions per week**. Attendance will continue to be monitored weekly via Arbor, and students will again be rewarded for consistent engagement, including spot prizes and incentives throughout the phase.

Alongside this, **One Click Revision** remains an integral part of our Year 11 support. This programme continues to be updated weekly by subject leaders and provides short, focused revision tasks for each subject via Google Classroom. Students are encouraged to spend around 15 minutes per subject each week completing these tasks. Teachers will continue to revisit and reinforce this content in lessons, but we would strongly encourage students to engage with One Click Revision more regularly at home to maximise its impact. Your support in promoting this routine is greatly appreciated.

Further details regarding future mock examinations will be confirmed in due course and communicated home separately.

Year 11 is a demanding and important year, and we thank you for your continued support. Please be assured that we remain fully committed to supporting every student as they prepare for their GCSE examinations. Should you have any questions, please do not hesitate to contact the Year Office.

Yours sincerely,

Mr Lenham  
Assistant Headteacher
